Dear Lisa Orso

As per our conversation this morning on 11/24/04 I requested additional time in which to respond to an additional pleading received from Defendant Sloan Walsh on 11/23/04 7PM.

Although Sloan Walsh mail was received on the previous day, I did not receive his additional memorandum at the exact time in which it was delivered.

I appreciate your attention in this matter for the additional time in which to respond of December 14, 2004, for both answers.

Yours Very Truly
